Mr. Rogers:

On January 6, 2016, the Fillmore Field Office, Bureau of Land Management (BLM) received a Notice of Modification and Notice of Extension relating to an Exploration Notice, case file UTU-90229, that had been filed under the Federal regulations at 43 CFR 3809, Surface Management. The Notice of Extension is granted, your new expiration date is January 13, 2018. Future Notice Extensions must be received prior to this date. Your modification request to modify the size of extracted blocks from 3-foot by 3-foot blocks to 6-foot by 6-foot blocks is not deemed a major modification and is hereby accepted by BLM.

If you have questions about the surface management of your Notice, please contact Todd Leeds, Geologist of my staff directly at (435) 743-3115.

Sincerely,

Joelle McCarthy  
Acting Field Manager
